15. [] Met with Ralph Preston, House Appropriations Committee staff, and brought him up-to-date on the briefing given Representative Sikes (D., Fla.) on Friday on a sensitive project. He told me that it is expected that Committee assignments will be completed by some time next week and that the Chairman is considering the designation of a CIA or intelligence subcommittee with its own chairman. This would require, however, assignment of the four senior members of the Committee to four different subcommittees. I also arranged to meet during the afternoon with Preston to review the classified material held in his safe and to arrange the disposition of those no longer needed.

16. [] Mary McLaughlin, Senate Foreign Relations Committee staff, called on behalf of Carl Marcy, Chief of Staff, to say that they were going to have to postpone the Director's appearance before the Committee on Wednesday, 17 January. She said Marcy would be in touch later in the week to reschedule the briefing.
